In Too Deep

Sum 41

The faster we're falling
We're stopping and stalling
We're running in circles againJust as things we're looking up
You said it wasn't good enough
But still we're trying one more timeMaybe we're just trying too hard
When really it's closer than it is too farCause I'm in too deep and I'm trying to keep

Up above in my head instead of going under Cause I'm in too deep and I'm trying to keep Up above in my head instead of going under Instead of going underSeems like each time I'm with you, I lose my mind

Because I'm bending over backwards to relate

It's one thing to complain But when you're driving me insane

Well then I think it's time that we took a breakMaybe we're just trying too hard

When really it's closer than it is too far Cause I'm in too deep and I'm trying to keep

Up above in my head instead of going under

Cause I'm in too deep and I'm trying to keep

Up above in my head instead of going under

Instead of going under

Instead of going underI can't sit back and wonder why

It took so long for this to die

And I hate it when you fake it

You can't hide it, you might as well embrace it

So believe me, it's not easy

It seems that something's telling me

I'm in too deep and I'm trying to keep

Up above in my head instead of going under

Cause I'm in too deep and I'm trying to keep

Up above in my head instead of going underInstead of going under

Instead of going under again Instead of going under Instead of going under again Instead of going under again.
