

# I Don't Care

## Apocalyptica

I try to make it through my life  
In my way there's you...  
I try to make it through these lies  
That's all I do Just don't deny it  
Just don't deny it  
And deal with it  
Yeah, deal with it  
You tried to break me  
You wanna break me  
Bit by bit  
That's just part of it  
If you were dead or still alive  
I don't care  
I don't care  
And all the things you left behind  
I don't care  
I don't care I try to make you see my side  
Always try to stay in line  
But your eyes see right through  
That's all they do  
I'm getting tired of this shit  
I've got no room when it's like this  
What you want of me, just deal with it So...  
If you were dead or still alive  
I don't care  
I don't care  
And all the things you left behind  
I don't care  
I don't care Nothing can care about  
I'm taking care of it  
You won't be there for me  
You won't be there for me If you were dead or still alive  
I don't care  
I don't care  
And all the things you left behind  
I don't care  
I don't care If you were dead or still alive  
I don't care (nothing can care about)  
I don't care... (I'm taking care of it)  
And all the things you've left behind  
I don't care (you won't be there for me.)  
I don't care... at all
