

Hope in Front of Me

Danny Gokey

I've been running through the rain
That I thought would never end
Trying to make it on faith
In a struggle against the wind
I've seen the dark and the broken places
But I know in my soul
no matter how bad it gets
I'll be alright
There's hope in front me
Theres a light, I still see it
There's a hand still holding me
Even when I don't believe it
I might be down but I'm not dead
There's better days still up ahead
Even after all I've seen
There's hope in front of me
There's a place at the end of the storm
You finally find
Where the hurt and the tears and the pain
All fall behind
You open up your eyes and
Up ahead there's a big sun shining
Right then and there you realize
You'll be alright
There's hope in front of me
There's a light, I still see it
There's a hand still holding me
Even when I don't believe
I might be down but I'm not dead
There's better days still up ahead
Even after all I've seen
There's hope in front of me
There's a hope still burning
I can feel it rising through the night
And my world's still turning
I can feel your love here by my side
You're my hope
You're the light, I still see it
Your hands are holding me
Even when I don't believe it
I've got to believe
I still have hope

You are my hope
