

The Big Bang

Katy Tiz

Oh, babe
I don't wanna lie
I'm gonna take what you're giving
'Cause I know you're willing
To take me all the way
You got me right here
Impossible
And I can't wait to finally explode
The Big, Big Bang
The reason I'm alive
When all the stars collide
In this universe inside
The big, big bang
The big, big bang
The big, big bang
Some people like to talk
But I'm into doing
What I feel like doing
When I'm inspired to
If we take a walk down the beach tonight
I bet that we could light up the sky
The Big, Big Bang
The reason I'm alive
When all the stars collide
In this universe inside
The big, big bang
The big, big bang
The big, big bang
Take it for me, I don't wanna be mummified
Sometimes I feel so isolated
I wanna die and I'll take it from you if you got it every time
So baby, bring your body here, next to mine
Next to mine
Next to mine when I don't wanna dance
I just wanna live it
So baby, let's not miss this thing
The Big, Big Bang
The reason I'm alive
When all the stars collide
In this universe inside
The big, big bang
The big, big bang
The big, big bang
