

Buried Alive

Avenged Sevenfold

Take the time just to listen
When the voices screaming are much too loud
Take a look in the distance Try and see it all
Chances are that you might find
That we share a common discomfort now I feel I'm walking a fine line
Tell me only if it's real
Still I'm on my way On and on it goes
Vacant hope to take
Hey! I can't live in here for another day Darkness has kept the light concealed
Grim as ever
Hold on to faith as I dig another grave
Meanwhile the mice endure the wheel
Real as ever
And it seems I've been buried alive
I walked the fields through the fire
Taking steps until I found solid ground Followed dreams reaching higher
Couldn't survive the fall
Much has changed since the last time
And I feel a little less certain now You know I jumped at the first sign
Tell me only if it's real
Memories seem to fade On and on it goes
Wash my view away
Hey! I can't live in here for another day Darkness has kept the light concealed
Grim as ever
Hold on to faith as I dig another grave
Meanwhile the mice endure the wheel
Real as ever
And I'm chained like a slave Trapped in the dark
Slammed all the locks
Death calls my name
And it seems I've been buried alive Take you down now
Burn it all out
Throw you all around Get your fucking hands off me!
What's it feel like?
Took the wrong route
Watch it fall apart Now you're knocking at the wrong gate
For you to pay the toll
A price for you alone
The only deal you'll find I'll gladly take your soul
While it seems sick, sober up quick
Psycho lunatic
Crushing you with hands of fate Shame to find out

When it's too late
But you're all the same
Trapped inside, inferno awaits
Evil thoughts can hide
I'll help release the mind
I'll peel away the skin
Release the dark within This is now your life
Strike you from the light
This is now your life
Die buried alive
This is now your life
What's it feel like?
Strike you from the light
Let me take in your soul
This is now your life
What's it feel like?
Die buried alive
Let me take in your soul
This is now your life
Die buried alive!
