

There's No Secrets This Year

Silversun Pickups

Who would know all the reasons you're alone
If the seeds were planted firm my dear
Wouldn't the branches tear it all apart I'll tell you a secret
Let's make this perfectly clear
There's no secrets this year I'll tell you a secret
I'll make it perfectly clear
There's no secrets this year So your heart's blown open
Pulsating in your ear
The beat is insincere I'll tell you a secret
Let's make it perfectly clear
There's no secrets this year
Too late little one
I'm on the run
You think I'm having all the fun
I don't mind
I'm still here
Everything seems perfect from down here
That's the reason you still fear
If the screams aren't buried OH MY GOD
You'll let the echoes shake it all apart I'll tell you a secret
Make it perfectly clear
There's no secrets this year I'll tell you a secret
I'll make it perfectly clear
There's no secrets this year So your heart's blown open
Pulsating in your ear
The beat is insincere
I'll tell you a secret
Let's make this perfectly clear
There's no secrets this year Lay your head down rest your feet
I'll blow you kisses while you sleep
And when I know you're safe and dreaming
My escape plan's in full swing Who would know all the reasons you're a bore
Cuz the seeds were planted firm right here
Let the branches tear it all apart I'll tell you a secret
Make it perfectly clear
There's no secrets this year
I'll tell you a secret
I'll make it perfectly clear
There's no secrets this year
So your heart's blown open
Pulsating in your ear
The beat is insincere

I'll tell you a secret
Let's make this perfectly clear
There's no secrets this year
You better make sure you're looking closely
Before you fall into your swoon
