One sixteen and the fam in the building homie
You know we gotta kill it
Keepin' it cataclysmic, chaotic
Calm and cool, and you kiddin', come on
I know you feel it
When the beat drop
Girls like "No you didn't!"
That's my song
Handle my business
Got my witness
Give it a minute
I promise imma wild out
When I get that feelin'
That feelin' of pure adrenaline
Spirit's fillin' me up
Ain't no tellin' homie when it'll end
I know the fire marshall
Gonna' be comin' around to shut this down
He entered the building
And got his hands up to the ceiling nowB-Z-R-K
Goin' off like
Yeezy on stage
All the 808s
Don't need the heartbreaks
Juiced up on faith
