

# You're Gonna Miss This

Trace Adkins

She was staring out the window, of that, SUV  
Complaining saying I can't wait to turn 18  
She said I'll make my own money, and I'll make my own rules  
Mama put the car in park out there in front of the school  
And she kissed her head, and said I was just like you  
You're gonna miss this, you're gonna want  
this back

You're gonna wish these days, hadn't gone by so fast  
These are some good times, so take a good look around  
You may not know it now, but you're gonna miss this  
Before she knows it, she's a, brand new bride  
In her one bedroom apartment, and her daddy stops by  
He tells her it's a nice place, she says, it'll do for now  
Starts talking about babies, and buying a house  
And daddy shakes his head, and says baby just slow down  
'Cause you're gonna miss this, you're  
gonna want this back

You're gonna wish these days, hadn't gone by so fast  
These are some good times, so take a good look around  
You may not know it now, but you're gonna miss this  
Five years later there's a plumber,  
working on the water heater

Dog's barking, phone's ringing, one kid's crying one kid's screaming  
And she keeps apologizing, he says they don't bother me  
I've got two babies of my own, one's 36, one's 23  
Huh, it's hard to believe

But you're gonna miss this, you're gonna want this back  
You're gonna wish these days, hadn't gone by so fast  
These are some good times, so take a good look around  
You may not know it now, but you're gonna miss this  
You're gonna miss this, yeah you're gonna miss this
