

# The Lottery (feat. Geoff Rickly of Thursday)

## Circa Survive

It happened all in the passing of light  
We won't see it coming  
I know that we'll all lose in time  
But my mind won't stop running Blame it on the air that you breathe  
Well I can't see how anything's nursed on disease  
Nothing is clean in this place  
Our only hope is cutting off the nose to spite the face Who'll take the lottery?  
Don't look away  
We're the unlucky ones  
I won't let it tear us apart!  
Who'll take the lottery?  
Don't look away  
We're the unlucky ones  
I won't let it take you  
This intrusion's a functioning curse  
Break the thumb and the whole hand will hurt  
It's not like moving backwards in time  
It happened all in the passing of light Blame it on the air that you breathe  
Well I can't see how anything's nursed on disease  
Nothing is clean in this place  
Our only hope is cutting off the nose to spite the face Who'll take the lottery?  
We're the unlucky ones  
I won't let it tear us apart  
Who'll take the lottery?  
Don't look away  
We're the unlucky ones  
I won't let it take you  
Who'll take the lottery?  
Don't look away  
We're the unlucky ones  
I won't let it take you
