MNEK

Yes, just come correct
Just come correct
Yes, just come correct
Just come correct
Yes, just come correct
Just come correct
Oh, oh, ohCome correct
The wait is over, you're now rocking with the best
So come correct
Get with the finesse, 'cause you ain't seen nothing yet
I flex like Aretha so please show me some respect
I am blessed with my reefer, miss me with that charlie mess
You hear the bass through the speakers, now you wanna hear the rest
(Who wrote this song?)
(Who made this beat?)
Well, take a guess
I've been doing this for day
I've been doing this from jump
I was making fame before Year 7 begun
I was getting paid before I was getting drunk
I see you making these mistakes
Listen to rule number oneYou need to come correct
The wait is over, you're now rocking with the best
You need to come correct
(Correct)
Get with the finesse, that a king like me possess
(Stay fabulous, honey)
Forward, there ain't no way back (way way back)
Poor riri say she 6 feet before I entered
Yesterday, I was the silent villain she like
And then I rocked to the studio like (bony delivery)
I don't think I have any room for any more plaquesFlex like Aretha, making sure you respect
Go left with that reefer, I'm not on that sniffing mess
Making fire on the sleeper so we cute, I never rest
Pay attention, I'ma teach you, I'ma put you to the testYou need to come correct
The wait is over, you're now rocking with the best
You need to come correct
(Correct)
Get with the finesse, 'cause you ain't seen nothing yet
You need to come correct
The wait is over, now you're rocking with the best
You need to come correct

(Correct)

Get with the finesse, that a king like me possess
So if everyone figures your head is getting
bigger

Fuck them, they don't know shit

You've earned this so own it

Black kings, we sit proud on our thrones

Stay fabulous, honey Uh, stay fabulous, honey

Work that, make that, count your money

Make sure your residuals are
correct and that bankroll ain't funny like

Ha ha ha You're so superstar

Right now, I'm feeling myself

I don't really give a fuck

Yas bitch, stay fabulous, honey

Work that, make that, count your money

Make sure your residuals are
correct and that bankroll ain't funny like

Ha ha ha You're so superstar

Right now, I'm feeling myself

I don't really give a f- give a f-Girl, you know I come correct

The wait is over, you're now rocking with the best

You need to come correct

(Correct)

Get with the finesse, 'cause you ain't seen nothing yet

You need to come correct

The wait is over, now you're rocking with the best

You need to come correct

Get with the finesse, that a king like me possess
Come correct

(You need to come correct

You need to come correct)

Come correct

(You need to come correct

You need to come correct)

Get with the finesse, that a king like me possess
Get with the finesse, that a king like me possess

Everybody's asking why they haven't heard my album yet

I had to come correct

Yes, get with the finesse, that a king like me possess
