Even If

Kutless

Sometimes all we have to hold on to
Is what we know is true of who You are.
So when the heartache hits like a hurricane
That could never change who You are.
And we trust in who You areEven if the healing doesn't come

And life falls apart And dreams are still undone You are God You are good

Forever faithful One

Even if the healing

Even if the healing doesn't come

Lord we know Your ways are not our ways

So we set our faith in who You are

Even though You reign high above us

You tenderly love us We know Your heart

And we rest in who You are Even if the healing doesn't come

And life falls apart

And dreams are still undone

You are God You are good

Forever faithful One

Even if the healing

Even if the healing doesn't come You're still the Great and Mighty One

We trust You always

You're working all things for our good

We'll sing your praise.

Even if the healing doesn't come

And life falls apart

And dreams are still undone

You are God You are good

Forever faithful One

Even if the healing

Even if the healing doesn't come You are God and we will bless You

As the Good and Faithful One

You are God and we will bless You

Even if the healing doesn't come

Even if the healing doesn't come
