

# The Catalyst

## LINKIN PARK

God bless us every one  
We're a broken people living under loaded gun  
And it can't be outfought  
It can't be outdone  
It can't be outmatched  
It can't be outrun  
No  
God bless us every one  
We're a broken people living under loaded gun  
And it can't be outfought  
It can't be outdone  
It can't be outmatched  
It can't be outrun  
No  
And when I close my eyes tonight  
To symphonies of blinding light  
(God bless us every one, we're a broken people living under loaded gun)  
Oh, like memories in cold decay  
Transmissions echoing away  
Far from the world of you and I  
Where oceans bleed into the sky  
God save us every one  
Will we burn inside the fires of a thousand suns  
For the sins of our hand  
The sins of our tongue  
The sins of our father  
The sins of our young  
No  
God save us every one  
Will we burn inside the fires of a thousand suns  
For the sins of our hand  
The sins of our tongue  
The sins of our father  
The sins of our young  
No  
And when I close my eyes tonight  
To symphonies of blinding light  
(God save us every one, will we burn inside the fires of a  
thousand suns)  
Oh, like memories in cold decay  
Transmissions echoing away  
Far from the world of you and I  
Where oceans bleed into the sky  
Oh, like memories in cold decay  
Transmissions echoing away  
Far from the world of you and I  
Where oceans bleed into the sky  
Lift me up, let me go  
Lift me up, let me go  
Lift me up, let me go  
Lift me up, let me go

Lift me up, let me go  
Lift me up, let me go  
Lift me up, let me go  
Lift me up, let me go  
(...and it can't be outfought, it can't be outdone, it can't be outmatched, it can't be outrun, no)

Lift me up, let me go  
(Oh) God bless us every one  
We're a broken people living under loaded gun  
And it can't be outfought  
It can't be outdone  
It can't be outmatched  
It can't be outrun

No  
(Lift me up, let me go) God bless us every one  
We're a broken people living under loaded gun  
(Lift me up, let me go) And it can't be outfought  
It can't be outdone  
It can't be outmatched  
It can't be outrun
