

We Just Want You

[William McDowell](#)

We need Your Spirit pouring out on us, Oh God
We need revival stirring up oh god we just want you, we just want you
Creation waits, We people long To You, Anticipate a Mighty Move
Were leaning, Trusting, Patiently waiting were desperate and we are

crying out

Come, Come, Come,

Holy spirit

Move, Move, Move

Holy Spirit

Revive us, Revive us, Revive us Holy Spirit

Transform us, Transform us, Transform us Holy Spirit

Reveal Your power

Reveal Your glory

Reveal Your kindness

Reveal Your love
