

# Jacky

## Marc Almond

"And if one day I should become  
A singer with a Spanish bum  
Who sings for women of great virtue  
I'd sing to them with a guitar  
I borrowed from a coffee bar  
Well, what you don't know doesn't hurt you  
My name would be Antonio  
And all my bridges I would burn  
And when I gave them some they'd know  
I'd expect something in return  
I'd have to get drunk every night  
And talk about virility  
With some old grandmother  
That might be decked out like a Christmas tree  
And no pink elephant I'd see  
Though I'd be drunk as I could be  
Still I would sing my song to me  
About the time they called me "Jacky"  
If I could be for only an hour  
If I could be for an hour every day  
If I could be for just one little hour  
Cute in a stupid ass way  
And if I joined the social whirl  
Became procurer of young girls  
Then I could have my own bordellos  
My record would be number one  
And I'd sell records by the ton  
All sung by many other fellows  
My name would then be handsome Jack  
And I'd sell boats of opium  
Whisky that came from Twickenham  
Authentic queens  
And phoney virgins  
I'd have a bank on every finger  
A finger in every country  
And every country ruled by me  
I'd still know where I'd want to be  
Locked up inside my opium den  
Surrounded by some china men  
I'd sing the song that I sang then  
About the time they called me "Jacky"  
If I could be for only an hour  
If I could be for an hour every day

If I could be for just one little hour  
Cute in a stupid ass way  
Now, tell me, wouldn't it be nice  
That if one day in paradise  
I'd sing for all the ladies up there  
And they would sing along with me  
And we be so happy there to be  
'Cos down below is really nowhere  
My name would then be "Jupiter"  
Then I would know where I was going  
Become all knowing  
My beard so very long and flowing  
If I could play deaf, dumb and blind  
Because I pitied all mankind  
And broke my heart to make things right  
I know that every single night  
When my angelic work was through  
The angels and the Devil too  
Could sing my childhood song to me  
About the time they called me "Jacky"  
If I could be for only an hour  
If I could be for an hour every day  
If I could be for just one little hour  
Cute in a stupid ass way"
