

How Might I Live

Real Estate

How might I live to betray you
How might I live to see the day?
How might I live to say you're number one I love?
How might I find the words to say?Down in my home Louisiana,
Down in my home where I stay
Got to find the words to say you're number one I love
How might I live to see the day?But I can't
So im rollin' on
Call if you've
But I can't
So I'm rollin' on
How might I live to see the day?
