

# Rain (Stephen Walking Remix)

## Astronaut

Waiting for the rain  
I'm not holding back for anyone  
Waiting for the rain  
I'm not holding back for anyone I've been holding forever  
Waiting for the rain to come  
Who am I to just surrender  
I'm not holding back for anyone I've been holding forever  
Waiting for the rain to come  
Who am I to just surrender  
I'm not holding back for anyone I've been holding forever  
Waiting for the rain to come  
Who am I to just surrender  
I'm not holding back for anyone  
I've been holding forever  
Waiting for the rain to come  
Who am I to just surrender  
I'm not holding back for anyone Holding for...  
Waiting for the rain  
Am I to just surrend...  
I'm not holding back for anyone  
Waiting for the rain Waiting for the rain  
I'm not holding back for anyone  
Waiting for the rain  
I'm not holding back for anyone I've been holding forever  
Waiting for the rain to come  
Who am I to just surrender  
I'm not holding back for anyone  
I've been holding forever  
Waiting for the rain to come  
Who am I to just surrender  
I'm not holding back for anyone I've been holding forever
