

Buy Back the Block (feat. 2 Chainz & Gucci Mane)

[Rick Ross](#)

Hey its your girl Super Cindy reporting live from the corner of 183rd Street and 27th Avenue at Checkers, in Miami Gardens. We got Gucci Mane, 2 Chainz, and Rick Ross. And we're here for the buy back the block movement. Where we raise up the community and support and love usWe own the hood

And we live by it, die by it then ya heard meI got crib in Florida, and I don't even stay there

Been by my mama old crib, my baby mama at daycare

I gotta ball for Peter, all of my boys illegal

I used to sell the reefer, now I just sell Adidas

Been had the Rollie, been ate baloney

These clones at the Cali crib, round the corner from Kobe

Property, property, property, nigga I'm tryna invest

Talking monopoly, I'm tryna encourage a nigga to run up a check

Nigga no treadmill, you niggas just stand still

Heard you were talking trash, threw that shit in the landfill

I'm bout the money, lil nigga

Ben Franklin my uncle, lil nigga

I used to trap right in front of you niggas

Selling dope just like dunking on niggas

This is a windmill, I smell like 10 mil

Put all my chains on, I cause a wind chill

I hit up Renzel, went over details

Got some young niggas that'll stand on your windshield

It's time to buy back the block, buy back the block

It's time to buy back the block, buy back the block

It's time to buy back the hood, buy back the hood

It's time to buy back the hood, buy back the hood

It's time to buy back the hood, buy back the hood

I'm bout to buy back the hood, buy back the hoodI sold 10 bricks a day but now I need 10

Chick-Fil-A's

Just bought 2 studios cause I got so much shit to say

I made 10 million dollars man and I was on house arrest

She says her jaws hurt, she need to give her mouth a rest

These niggas falling off, only the strong survive

These suckers reaching out, but ain't no need to try

T-Tell 'em something slick, slick enough to slip and slide

And I know how to pitch, so I'ma get your bitch to drive

All the OGs I looked up to, man they broke as shit

These lil niggas look up to me because I'm super rich

I'm going live, I-I'm still alive

God thank you for my punishment, it made me wise

It's time to buy back the block, buy back the block
It's time to buy back the block, buy back the block
It's time to buy back the hood, buy back the hood
It's time to buy back the hood, buy back the hood
It's time to buy back the hood, buy back the hood
I'm bout to buy back the hood, buy back the hood
It's time to clean up the ghetto, a dope boy
wanna shine

Time to buy back the block, talking one brick at a time
I sold a few records, I bought me a Checkers
Wingstop well invested so Taco Bell left for breakfast
I seen a few M's, it's time to touch me that 100
So let's put up this money and let's go half on the Sonics
Yes I feed lemon pepper, angel wings with the feathers
If you feel like I feel, I pray you live rich forever
Okay, let's buy back the block, I might buy me a Wendy's
Just to pull up on skinnies every Tuesday and Wednesdays
I might buy me 10 Denny's, I might buy Family Dollar
Cut it to 50 cent, I got a job for your father
I'm tryna help with the rent, I came up from the street
My lil son, he a prince, it's time that we represent
It's time to buy back the block, buy back the
block

It's time to buy back the block, buy back the block
It's time to buy back the hood, buy back the hood
It's time to buy back the hood, buy back the hood
It's time to buy back the hood, buy back the hood
I'm bout to buy back the hood, buy back the hood
It's all about your last name meaning
something, you heard me? Start with you a duplex, work up to a Hyatt's, maybe a small plaza,
I'm looking for a mall. Anybody selling a mall holler at me, you heard me? Maybe get my
mama a gas station, she like BP. Texaco holler at me, you heard me? It's the boss
I'm bout to
buy back the block, buy back the block
It's time to buy back the block, buy back the block
I'm bout to buy back the city, buy back the city
Buy back the city, buy back the city
