

# Gravel to Tempo

Hayley Kiyoko

Catch my name for kicks  
Thinking I would be right by your side  
I don't feel adequate  
Thinking I'm a monster in disguise  
We've gone down every list  
Stuck but I have got to begin to resist  
Caught up with the fact that life will be dark  
But can we handle being kids  
I'll do this my way  
Don't matter if I break  
I gotta be on my own  
Lost in this feeling  
Don't never need a reason  
I gotta be on my own  
Oh, oh, oh, oh, oh, oh  
Oh, oh, oh, oh, oh, oh  
Oh, oh, oh, oh, oh, oh  
I gotta be on my own  
Try to stand the test  
But the night is crawling through my eyes  
I thought I was depressed  
But I think I just needed to cry  
I'll do this my way  
Don't matter if I break  
I gotta be on my own  
Lost in this feeling  
Don't never need a reason  
I gotta be on my own  
Oh, oh, oh, oh, oh, oh  
Oh, oh, oh, oh, oh, oh  
Oh, oh, oh, oh, oh, oh  
I gotta be on my own  
I'll do this my way  
Don't matter if I break  
I gotta be on my own  
Lost in this feeling  
Don't never need a reason  
I gotta be on my own  
Oh, oh, oh, oh, oh, oh  
Oh, oh, oh, oh, oh, oh  
Oh, oh, oh, oh, oh, oh
