

To Be with You

Mr. Big

Hold on little girl
Show me what he's done to you
Stand up little girl
A broken heart can't be that bad
When it's through, it's through
Fate will twist the both of you
So come on baby come on over
Let me be the one to show you I'm the one who wants to be with you
Deep inside I hope you feel it too
Waited on a line of greens and blues
Just to be the next to be with you
Build up your confidence
So you can be on top for once
Wake up who cares about
Little boys that talk too much
I've seen it all go down
Your game of love was all rained out
So come on baby, come on over
Let me be the one to hold you I'm the one who wants to be with you
Deep inside I hope you feel it too
Waited on a line of greens and blues
Just to be the next to be with you Why be alone when we can be together baby
You can make my life worthwhile
And I can make you start to smile
When it's through, it's through
Fate will twist the both of you
Come on baby come on over
Let me be the one to show you I'm the one who wants to be with you!
Deep inside I hope you feel it too!
Waited on a line of greens and blues!
Just to be the next to be with you!
I'm the one who wants to be with you!
Deep inside I hope you feel it too!
Waited on a line of greens and blues!
Just to be the next to be with you!
Just to be the next to be with you!
