SAINT JHN

I ain't tryna be nobody's hero
ya know My heart is 3 Below zero
Below Saint Laurent and quarter water
Show me you could really be your mommas daughter
Cause I ain't tryna be nobody's hero ya know My heart is 3 Below zero Below
Gucci slippers girl you poppin ya know
The way you look I know you got them nggas flocking And you got them Rihanna dreads
Now you deserve a ngga with a Kawasaki, ouu
Saint Laurent and quarter water, ya know
Show me you could really be your mommas daughter, oh
Cause I ain't tryna be nobody's hero ya know
My heart is 3 Below zero Below
You know I like them rather bxtches,
ya know you know I tell her suck first she ask permission oh You know I make em all audition,
oh 4 naked bxtches this is new edition,
oh I was out here ridin round, ya know I was only jugging on my part of town oh
I'm gon need you quiet now
oh Know you see me balling don't go out of bounds oh
Saint Laurent and quarter water Show me you could really be your mommas daughter
Cause I ain't tryna be nobody's hero ya know My heart is 3 Below zero Below
Girl you got a bright future Damn you look nice girl the lights suit ya I prefer you naked
If your heads good you'll make a nice tutor
I don't mean no disrespect But I prefer Shaniqua over Lizabeth
Me I like them ratchet bxtches Only hit her once a year that's after Christmas, yeah
Saint Laurent and quarter water, ya know Show me you could really be your mommas daughter,
oh Cause I ain't tryna be nobody's hero ya know
My heart is 3 Below zero Below Ooh oh x3 3 Below Zero ya know Ooh oh x3 3 Below Zero ya
know
