

# Love Shop

Shontelle

I'll be your love shop, baby, toni-i-ight.  
I'll do all of the things that you li-i-ike.  
I'll give you everything that you need,  
Everything that you want,  
Everything that you need, toni-i-ight.(It's okay)  
I'll be over for you  
(Everyday)  
Don't you worry boy  
(I'll be right here)  
And I don't want you to go away-wa-ay.  
(Just so you know)  
My love for you is  
(Over low)  
Just the touch from you  
(Makes me slow)  
I just can't wait to get you close  
OhhhhhhI'll be your love shop, baby, toni-i-ight.  
I'll do all of the things that you li-i-ike.  
I'll give you everything that you need,  
Everything that you want,  
Everything that you need, toni-i-ight.  
(Don't you stop)  
Just the thought of you  
(It gets me hot)  
So I can't wait for you  
(For you to drop)  
Drop by so you can have all my  
(Sugar, pie, honey, pop, make me like your lollipop)  
(Pop, pop)I'm addicted to you  
(Like a drug)  
All I want, baby, is your  
(Is your love)  
So please come here (Give me some)  
And gimme some (Come and gimme some)  
(Yummy, yummy)I'll be your love shop, baby, toni-i-ight.  
(I'll be your love shop)I'll do all of the things that you li-i-ike  
(All of the things you like)  
I'll give you everything that you need,  
(Yeah, yeah)  
Everything that you want,  
(Oh, oh)  
Everything that you need, toni-i-ight.

To 6 am
