

Hold On

KT Tunstall

Say you to me
You're a bird with an eye for anything shiny
Searching the land
For a hero of a man
You say I need
More than my fair share of attention
But I think you know
That just isn't so
Underneath
I felt the fire of a burning question
Tearing me apart
Right from the very start
And now I see
That it don't take a trick of the light to excite me
So strong, so long
You'll see
Hold on
To what you
Been given lately
Hold on
To what you
Know you got
Hold on
To what you
Been given lately
Hold on
Cause the world will turn if you're ready or not
Simplicity
A heart of gold, an old head, and young shoulders
Quiet and lovely
Becoming part of me
And now I see
From a handful of names and a thousand faces
One light, burning, furiously
I was tired of January
I was tired of June
I felt a change a-coming
Oh... I was tired of January
Tired of June
I felt a change a-coming, oh
I felt a change a-coming
I felt a change a-coming
Felt a change a-coming soon
Hold on (hold on)
To what you (to what you)

Been given lately (Been given lately)

Hold on (hold on)

To what you (to what you)

Know you got (know you got)

Hold on (hold on)

To what you (to what you)

Been given lately (been given lately)

Hold on

Cause the world will turn if you're ready or not Hold on (hold on)

To what you (to what you)

Been given lately (Been given lately)

Hold on (hold on)

To what you (to what you)

Know you got (know you got)

Hold on (hold on)

To what you (to what you)

Been given lately (been given lately)

Hold on

Cause the world will turn if you're ready or not Oh yeah, well the world will turn if you're ready

or not

Oh, yes the world will turn if you're ready or not
