

When the Heartache Ends

[Rob Thomas](#)

It's never easy and you never know
What leaves you crying and what makes you whole
There ain't no way that I can hold it down
Falling to pieces forever in doubt But it's alright, why don't you tell me again?
How you'll still be there when the heartache ends
But it's alright, why don't you tell me my friend?
How you'll still be there when the heartache ends?
Oh no, oh no
There ain't nobody who can show you how
To find the surface when you're underground
There ain't no blanket that can hide this cold
There ain't no memory that ever gets old But it's alright, why don't you tell me again?
How you'll still be there when the heartache ends?
But it's alright, why don't you tell me my friend?
How you'll still be there when the heartache ends? And I move all directions to the corners and
the outskirts
While the lovers and the lonely start to whisper all about me
And if I stand here silent I almost start to feel you fading in
Telling me hold on
'Cause it's gonna be alright, why don't you tell me again?
How you'll still be there when the heartache ends?
But it's alright, why don't you tell me my friend?
How you'll still be there when the heartache ends?
How you'll still be there when the heartache ends?
Say you'll be with me, when the heartache ends
