

Come Together (Farley Mix)

Primal Scream

Come together oh, oh, come together oh, oh
Come together oh, oh, come together Kiss me, won't you, won't you, kiss me, won't you, won't
you, kiss me

Lift me right out of this world trip me, won't you, won't you trip me
Won't you, won't you trip me, lift me, ride me to the stars I'm free, you're free, I want you to
touch me

Come touch me, now it's all too much
All too much, all too much Come together oh, oh, come together oh, oh
Come together as one, come together as one

Up and away come, together oh, yeah
Up and away This is a beautiful day, it is a new day
We are together, we are unified and all for the 'cause
Because together we got power, apart, we got power
Today on this program you will hear gospel

And rhythm and blues and jazz
All those are just labels
We know that music is music Today on this program you will hear gospel
And rhythm and blues and jazz

All those are just labels
We know that music is music Come together as one
come together as one
Come together as one
come together as one

Come together as one Come together as one, this a beautiful day
It's a new day Come together as one, this a beautiful day
It's a new day

We are together, we are together
We are together, we are unified We are together, we are unified because together we got power
Apart we got power, we are together Today on this program you will hear gospel
And rhythm and blues and jazz

All those are just labels
We know that music is music Come together as one
come together as one
Come together as one
come together as one

Come together as one Rock the boat
get off the boat
rock the boat
get off the boat
Rock the boat
get off the boat
we are together, we are unified

Come together
