

Fat Lenny

Ween

Fat Lenny's gonna walk right into myself
Fat Lenny's gonna see myself (Reflect it back on myself)
Fat Lenny's gonna lick the shellack off the window sill
And I say Fat Lenny's gonna lick my head off
Stop by my friend Fat Lenny, I like him a lot (Tell him about my buddy)
He's Fat Lenny - what
Fat Lenny's gonna lick the shellack off the window sill
And I said now Fat Lenny's gonna jump up and down (Run back down the hill)
And I said now Fat Lenny knows what he is (to be Fat Lenny) 'cause he is Fat Lenny (he's my
buddy)
He's Fat Lenny (I know what he is to be Fat Lenny) 'cause he's my friend Fat Lenny
I like Fat Lenny, I like 'cause he's my friend Fat Lenny - Fat Lenny
What - you know - he's Fat Lenny - you know
You know he's Fat Lenny
Fat Lenny's gonna lick my brain today
Fat Lenny doesn't like me anyway
Fat Lenny said (my friend) today
Fat Lenny
Fat Lenny, Fat Lenny,
Fat Lenny, Fat Lenny, Fat fat fat Lenny
Fat Lenny, Fat Lenny
Fat Lenny, Fat Lenny, Fat fat fat Lenny
