Soon as I get'cha 'cause I know that you was waitin' for me  
I get it started for you, I get it started for you  
Soon as I get'cha 'cause I know that you was waitin' for meYo, yo, yoIf school was pussy, I  
wouldn't miss a day  
Big John Jay slay around the way, fish fillet  
Taste the truth, ay' no more lies like Michel'le  
Keep my kids frost like they was born in East L.A.  
Told yo' buy yo' weed by the ounce, twins let's bi-dounce  
That shit they talkin' don't add up, I say what get down  
Can't stop drop, can't flock, most of all I can't stop  
Wreck my hand-cuffs and fightin' bullies in the sandbox

Wolf in sheep's clothin', wha, hit you with the lamb chop  
Throw 'em up, slow 'em up, light the wic blow C1
