

Can't Heal You

Five Finger Death Punch

The deeper you get, the farther you fall down
The closer I get, the more you dissolve
You're lost inside, your pale addictions
Bury you, with the demons in the ash
Can't heal you, don't want to
cause you can't save your-fuckin'-self
Can't heal you, don't need to
cause you won't save yourself
You are the one who made the decision
stuck in a prison, shattered and broken
I am the one who, expected to heal you, save you from drowning in your endless nightmare
Blessed be, the disillusioned
The banished misfit and the cursed hollow son
Can't heal you, I don't want to
cause you can't save yourself
Can't help you, don't need to
cause you won't save yourself
We're taught to perish but fade away
Become the haunted and die as slaves
Can't heal you, I don't want to
cause you can't save yourself
Can't help you, don't need to
cause you won't save yourself
Can't heal you, don't want to
cause you can't save your-fuckin'-self
Can't heal you, don't need to
cause you won't save yourself
