

# Ooh Child (Alternate Version)

Beth Orton

Ooh child, things are gonna get easier  
Ooh child, things? Il be brighter  
Ooh child, things are gonna get easier  
Ooh child, things? Il get brighterSomeday, yeah, we? Il put it together and we? Il get it undone  
Someday, when your head is much lighter  
Someday, yeah, we? Il walk in the rays of a beautiful sun  
Someday, when the world is much brighterOoh child, things are gonna get easier  
Ooh child, things? Il be brighter  
Ooh child, things are gonna get easier  
Ooh, things? Il be brighter  
Someday, yeah, we? Il put it together and we? Il get it undone  
Someday, yeah, when your head is much lighter  
Someday, we? Il walk in the rays of a beautiful sun  
Someday, when the world is much brighterRight now, right now  
Right now, right now  
You just wait and see  
How things are gonna beYou just wait and see  
How things are gonna be  
You just wait and see  
How things are gonna be  
Ooh child, things are gonna get easier  
Ooh child, things? Il be brighter  
Ooh child, things are gonna get easier  
Ooh, things? Il get brighter
