

# Out of the Game

## Rufus Wainwright

I'm outta the game  
I've been out for a long time now  
I'm lookin' for something  
Can't be found on the main drain, no  
I'm out of the game  
I've been out for a long time now  
I'm looking for something  
Can't be found on the main drain no, Look at you, look at you, look at you, look at you Suckers!  
Does your mama know what you're doin'?  
Look at you, look at you, look at you, look at you Suckers!  
Does your mama know what you're doin'?  
You're only a child  
with the mind of a senile man  
You're only a young thing,  
'bout to sleep with a sea of men  
Just hangin' around,  
wearin' somethin' from God knows where.  
Just havin' a ball  
makin' all of the thin cards fall. Look at you, look at you, look at you, look at you Suckers!  
Does your mama know what you're doin'?  
Look at you, look at you, look at you, look at you Suckers!  
Does your mama know what you're doin'? Say, come over here,  
let me smell you for one last time  
before you go out there  
and ruin all of the world, once mine.  
I'm outta the game  
I've been out for a long time now  
I'm lookin' for something  
Can't be found on the main drain, no Look at you, look at you, look at you, look at you Suckers!  
Does your mama know what you're doin'?  
Look at you, look at you, look at you, look at you Suckers!  
Does your mama know what you're doin'?
