

Brown Skin Girl

Leon Bridges

Brown skin girl on the other side of the room
Brown skin girl staring with her brown eyes
Ooh, baby, don't you know you're a cutie pie?
Princess, little honey with the polka-dot dress on
Ruby-lipped lady whose name I don't know
Let me tell you, darling

Ooh ooh ooh

Ooh whoo-oooh

Ooh ooh ooh

Ooh whoo-oooh, OK Brown skin girl with the white pearls 'round her neck

Brown skin girl, let me hold you close under the white moon

Cause baby, I'm ready and you know that I'm waiting on you

Princess, little honey with the polka-dot dress on

Ruby-lipped lady whose name I don't know

Let me tell you, darling

Ooh ooh ooh

Ooh whoo-oooh

Ooh ooh ooh

Ooh whoo-oooh

Ooh ooh ooh

Ooh whoo-oooh

Ooh ooh ooh

Ooh whoo-oooh
