One Day (feat. Queen Latifah)

[Star Cast](#)

As I look back on my life
And see where I come from
I wonder if I
Ever gonna see the tables turn
Cause I been, Way to low
For way too long
But I know somehow
Someway
My change goin come
I was down
Far from the shore
I was weak in my soulFacing trouble,
Tears on the floor
I was tired and worn
One day
Couldn't find no peace
Down on my knees
I was lost in a storm
One dayBut I knew the lord heard my cry
so one day I won't worry no more
Cause when I was about to give up I heard Jesus say Jesus say
change goin come on day
Streets wasnt safe
I couldn't find my way
But I felt his grace
One day
Tears down my face
Jesus said
Jesus said
Change goin come one day
One day
I knew it would happen some day One day, one day
One day, one day
One day, one day
One day, one day
One day, one dayStep up here and change my situation
