Efilnikufesin (N.F.L.)

Anthrax

It started back in high school
So cool, king of the scene
You found that making people laugh
Was more than just a dream
The public took right to you
Like flies to a pile of shit
So funny and smart, so talented

But success just couldn't fitWasting your life no future is bright

Dancing on your grave

Living like a slave, someone should've said...NFL, Efilnikufesin NFL NFL, Efilnikufesin NFLWake up dead in a plywood bed

Six feet from the rest of your life

And when you couldn't see your own dependency NFL, NICE FUCKIN' LIFEThe whole world is your playground

Yet you couldn't find your niche Your only friends, it helps you through Helps you dig your daily ditch

The bottom line can't touch you

Cause you're above the rest But your little friend's the enemy

And the bottom line is deathWasting your life no future is bright

Dancing on your grave

Living like a slave, someone should've said...NFL, Efilnikufesin NFL NFL, Efilnikufesin NFLWake up dead in a plywood bed

Six feet from the rest of your life

And when you couldn't see your own dependency NFL, NICE FUCKIN' LIFEYou lived a life of excess

GODDAMN shame it's such a waste

Just one too many cookies

- Just one too many cookies

From the batch no one should taste Yet his memory stills stays with us

Cause watching him was fun

Too bad that things weren't different

Who knows what he'd have doneWasting your life no future is bright Dancing on your grave

Living like a slave, someone should've said...NFL, Efilnikufesin NFL NFL, Efilnikufesin NFLWake up dead in a plywood bed

Six feet from the rest of your life

And when you couldn't see your own dependencyNFL, NICE FUCKIN' LIFE Song Discussions is protected by U.S. Patent 9401941. Other patents pending.
