

# Sleep to Dream

Fiona Apple

I tell you how I feel, but you don't care  
I say tell me the truth, but you don't dare  
You say love is a hell you cannot bear  
And I say gimme mine back and then go there, for all I care I got my feet on the ground  
And I don't go to sleep to dream  
You got your head in the clouds  
You're not at all what you seem  
This mind, this body, and this voice cannot be stifled  
By your deviant ways  
So don't forget what I told you  
Don't come around, I got my own hell to raise  
I have never been so insulted in all my life  
I could swallow the seas to wash down all this pride  
First you run like a fool just to be at my side  
And now you run like a fool, but you just run to hide  
And I can't abide I got my feet on the ground  
And I don't go to sleep to dream  
You got your head in the clouds  
You're not at all what you seem  
This mind, this body, and this voice cannot be stifled  
By your deviant ways  
So don't forget what I told you  
Don't come around, I got my own hell to raise Don't make it a big deal, don't be so sensitive  
We're not playing a game anymore  
You don't have to be so defensive  
Don't you plead me your case, don't bother to explain  
Don't even show me your face, cause it's a crying shame  
Just go back to the rock from under which you came  
Take the sorrow you gave and all the stakes you claim  
And don't forget the blame I got my feet on the ground  
And I don't go to sleep to dream  
You got your head in the clouds  
And you're not at all what you seem  
This mind, this body, and this voice cannot be stifled  
By your deviant ways  
So don't forget what I told you  
Don't come around, I got my own hell to raise I got my feet on the ground  
And I don't go to sleep to dream  
You got your head in the clouds  
And you're not at all what you seem  
This mind, this body, and this voice cannot be stifled  
By your deviant ways

So don't forget what I told you  
Don't come around, I got my own hell to raise
