

# Fire Away

Chris Stapleton

Honey load up your questions  
And pick up your sticks and your stones  
And pretend I'm a shelter for heartaches that don't have a home  
Choose the words that cut like a razor  
And all that I'll say is Fire away  
Take your best shot  
Show me what you got  
Honey, I'm not afraid  
Rear back and take aim  
And fire away  
Well, I wish I could tell you  
That I've never been here before  
But you know and I know  
That I'll always come back for more  
Your love might be my damnation  
But I'll cry to my grave Fire away  
Take your best shot  
Show me what you got  
Honey, I'm not afraid  
Rear back and take aim  
And fire away  
Fire away  
Take your best shot  
Show me what you got  
Honey, I'm not afraid  
Rear back and take aim  
And fire away  
Fire away  
Fire away  
Fire away
