

# My One (feat. Tory Lanez, Kranium & Dappy)

## Wiley

[Wiley & Kranium:]

You see that girl there? Yeah, that's my one (Yeah)  
Anyting she want, I gotta buy one (Yeah)  
We just like chillin' on the night one  
We should have a couple babies, they'll be bright ones  
I'm just sat here tryna be your icon (Icon)  
I'm tryna eat the cake with all the ice on (Oh yeah, yeah)  
Anywhere I go, I get it poppin' like whoa  
Happy I can find one  
'Cah that girl is my one  
We not lookin' for a sly one  
Becah that girl is my one, yeah  
Ain't lookin' for no shy one, no  
Oh, you're my, you're my one  
You got my body on your mind, and your mind on my body  
Time fi come, come  
You got my body double time when you roll up on me  
You know you my one  
You're my one  
Me no look for you but she my one, yeah  
And you, you

You got my body on your mind, and your mind on my body  
[Tory Lanez:]

Haffi give you my love, baby  
Wan' fi give you nuff kisses and love, baby  
I wanna channel my love  
A rude bwoy has to give her tough love  
Wanna let me focus, yeah, we focus  
Slim waist and face and mi haffi notice

You know I smoke, gyal, you the dopest, yeah[Wiley & Kranium:]

You got my body on your mind, and your mind on my body  
Time fi come, come  
You got my body double time when you roll up on me  
You know you my one  
You're my one  
Me no look for you but she my one, yeah

And you, you  
You got my body on your mind, and your mind on my body[Dappy:]  
Before you, I wouldn't let me be  
Don't be late, don't be late, you'll regret it tomorrow  
This is hard to come by  
Don't be silly and let it slide  
Baby, you gon' make me tongue-tied (You gon' make me tongue)  
I'm finna lick it 'til the tongue dry (Ayy)  
I'm 'bout to slide in so feel for the night[Wiley, Kranium & Dappy:]  
But only if you can find one  
'Cah that girl is my one (See that gyal mine)  
We not lookin' for a sly one (No mi haffi find)  
Becah that girl is my one, yeah  
Ain't lookin' for no shy one, no[Kranium:]  
Nice ass, nice waistline  
Yeah, gyal, I take you for (Yeah)  
Dancers say gwan 'bout poquito  
She's so damn fine (Oh yeah)  
Glad I came on time  
Can I buy you a drink or two? (Oh yeah)  
Saw you when you want in through, ooh
