

Take Off (feat. Yung L.A.)

Young Dro

Beat billionaires Take off, aww shit, take off, aww shit
You know wat it is man
I'm standin' in tha club you kno wat I'm sayin'
I ain' pop nun yet but I'm 'bout to take off
I ain' leavin' yet but I'm 'bout to take off And I'm 'bout to take off, you kno that sound
Take off, take off, take off, take off
Everybody take off, take off, ayee, take off, take off
Let's take off, take off, ayee, take off And I'm 'bout to take off you kno that sound
Take off, take off, take off, take off
Everybody take off, take off, ayee, take off, take off
Let's take off, take off, ayee, take off, ayee, take off, ayee, take off
Young Dro, we in tha club, my wrist cost a hunnid rats
When I pop a pill, I take off like a Thundercat
9 carat stone with tha platinum all up under dat
AK/47 chrome ye ain't gon want nun of dat Louie bag summer sack half a damn million
I fuck with kush so much, I had Amsterdam children
I'm Pakistan pillin' rollin' like a yayo
Tha Ferrari with tha lake house G4 I'm 'bout to take off
Don't let tha swag breakout that shit like disease
I be lookin' Japenese ounce of kush ounce of lean
I'm a 30 inch rider, John Travolta, we can face off
5, 4, 3, 2, 1, oh, and this tha take off, Dro, Dro And I'm 'bout to take off, you kno that sound
Take off, take off, take off, take off
Everybody take off, take off, ayee, take off, take off
Let's take off, take off, ayee, take off
And I'm 'bout to take off you kno that sound
Take off, take off, take off, take off
Everybody take off, take off, ayee, take off, take off
Let's take off, take off, ayee, take off, ayee, take off, ayee, take off Okay, now big pimp squad
tear your boyz apart
Stay out our trap stay out our yard
I'm so hard I'm runnin' with piranhas
I'm a west side boy, yeah potna, potna, potna Goin' get them, suckaz, tell 'em that it's over
This is a jack truck this is not a rover
30 inch rider you ain't even worth it
I'm in my own world trick, we on different earths Sittin' up in my lambo don't make me turn to
Rambo
2 dime lesbians that's all that I can handle
And I'm bumpin' like a yayo I'm bumpin' like a yayo
Bow, I'm finna take of, f bow, I'm finna take off And I'm 'bout to take off, you kno that sound
Take off, take off, take off, take off
Everybody take off, take off, ayee, take off, take off

Let's take off, take off, ayee, take off
And I'm 'bout to take off you kno that sound
Take off, take off, take off, take off
Everybody take off, take off, ayee, take off, take off
Let's take off, take off, ayee, take off, ayee, take off, ayee, take off
I'm a gonna take off
Lamborghini top off
Own line air head same color space off
Futuristic Lela Ralph Lauren, pilo G4 takin' off every city we go
Goin' across tha globe you don't go tha places we go
Connected with tha king, you don't kno tha
people we know
White boy steelo, black boy bakino
Black and white swag got me feelin' like melato'
Pockets extra sloppy feelin' like I hit tha lotto
Floatin' through tha city offsets on tha idol
You tried to Keith sweat me like tha chick from desperado
2 guns on me like tha movie desperado
And I'm 'bout to take off, you kno that sound
Take off, take off, take off, take off
Everybody take off, take off, ayee, take off, take off
Let's take off, take off, ayee, take off
And I'm 'bout to take off you kno that sound
Take off, take off, take off, take off
Everybody take off, take off, ayee, take off, take off
Let's take off, take off, ayee, take off, ayee, take off, ayee, take off
