

I Am Yours

CeCe Winans & Pure Worship Performers

I am Yours
You are Lord
I give my life completely
For now and evermore
Not my own
I belong
To You my great redeemer
I am Yours I am Yours
You are Lord
I give my life completely
For now and evermore
Not my own
I belong
To You my great redeemer
I am Yours
I was bought with a price
What a great sacrifice
When You laid down Your life for me
You so willingly gave
Now I'm willing to give
Every moment I live and breathe I am Yours
You are Lord
I give my life completely
For now and evermore
Not my own
I belong
To You my great redeemer
I am Yours
I was bought with a price
What a great sacrifice
When You laid down Your life for me
You so willingly gave
Now I'm willing to give
Every moment I live and breathe I am Yours
You are Lord
I give my life completely
For now and evermore
Not my own
I belong
To You my great redeemer
I am Yours You are Lord
I give my life completely

For now and evermore
Not my own
I belong
To You my great redeemer
I am Yours To You my great redeemer
I am Yours
I am Yours
