

# Wanted

## OneRepublic

She said, "Every time I close my eyes I feel like I could disappear  
I could overflow an ocean with a cavalcade of all my tears  
And I know I sound dramatic, but that's just how it feels" She said, "I'm holding to the notion  
that I'll find something real" I just want to be wanted (Ooh)  
I could use a little love sometimes  
I just need to be needed (Ooh)  
Like to know I'm crossing someone's mind  
I just want to be someone that somebody needs  
I just want to be more than a drop in the sea  
I just wanna be-

She said, "I'm counting up my karma and I think it's time to cash it in  
So tired of living in the shadow of a mountain of what might have been  
And I know I sound dramatic, but that's just how it feels  
I've been looking for somebody to tell me that I'm real" I just want to be wanted (Ooh)  
I could use a little love sometimes  
I just need to be needed (Ooh)  
Like to know I'm crossing someone's mind  
I just want to be someone that somebody needs  
I just want to be more than a drop in the sea  
I just wanna be wanted  
Oh, yeah  
We just want to be wanted (Ooh)  
I just want to be wanted  
I could use a little love sometimes  
I just need to be needed  
Like to know I'm crossing someone's mind
