

# Sadiddy

## Brandy

You can't deny it a lil bit  
All the lies, all the lil shit  
I've worked for mines  
You'll get none of it  
Stop talkin' about what you wanna get  
You say that I wasn't really kind  
And all this ice isn't really mines  
All because you wanna piece of it  
Puttin down my name gon' have cease a bit If you say it, I will do it, no I ain't sadiddy  
If you cross me, I guarantee you it, won't be pretty  
If you want it, I will give it to you, I ain't sadiddy  
I be wildin', I know it ain't easy to get with me  
If you say it, I will do it, no I ain't sadiddy  
If you cross me, I guarantee you it, won't be pretty  
If you want it, I will give it to you, I ain't sadiddy  
I be wildin', I know it ain't easy to get with me  
Yeah, today's a new day  
Yeah, my girls are with me  
Yeah, we all came out to play  
If your rollin' with me don't try to be sadiddy  
(No) It's ashame how you spend your day  
You swear that i'm always in your way  
Cause I ball out all in your face  
But I don't care doin' what you say  
All I can do is be myself  
To do my thang i don't need no help  
It's all good 'till you disrespect  
If you step out of line know you will get checked  
I be wildin', I know it ain't easy to get with me  
If you say it, I will do it, no I ain't sadiddy  
If you cross me, I guarantee you it, won't be pretty  
If you want it, I will give it to you, I ain't sadiddy  
I be wildin', I know it ain't easy to get with me
