

# Lay Low

## ORKID

Verse 1

Drunk again

At my friends

Trying to fly too much, yeah

This is us

In the flesh

Trying to drive too muchPre-Chorus

Don?t ask why i?m acting up

Nothing has changed since the jump

You know I do not give a fuck

But you keep on pulling

You keep on holding

You should just fold in, fold inChorus

I don?t wannaLay Low

Face on the dash breaking the glass I forgot my

HaloCar full of cash, driving too fast

Running around in my last boys car

You know imma take it too farI don?t wanna

LayLowVerse 2

Bottoms up

That?s my cup

Double down on sin

Wish you bet

Bet on me

Double down again

Pre-Chorus

Don?t ask why i?m acting up (oh my)

Nothing has changed since the jump (nothings changed)

You know I do not give a fuck

But you keep on pulling

You keep on holding

You should just fold in, fold inChorus

I don?t wanna

Lay Low (lay low)

Face on the dash breaking the glass

I forgot my Halo (I forgot my halo)Car full of cash, driving too fast

Running around in my last boys car (boys car)

You know imm' take it too farI don?t wanna

Lay Low (I don?t wanna lay low)Bridge

But you keep on pulling

You keep on holding

You should just fold in, fold inBut you keep on pulling

You keep on holding  
You should just fold in, fold in  
I don't wanna  
Lay Low (lay low)  
Face on the dash breaking the glass  
I forgot  
myHalo (I forgot my halo)  
Car full of cash, driving too fast  
Running around in my last boys car (boys car)  
You know imma take it too far  
I don't  
wannaLay Low (I don't wanna lay low)
