

Carry You (feat. Fleurie)

Ruelle

I know it hurts
It's hard to breathe sometimes
These nights are long
You've lost the will to fight Is anybody out there?
Can you lead me to the light
Is anybody out there?
Tell me it'll all be alright You are not alone
I've been here the whole time singing you a song
I will carry you, I will carry you
I know you can't remember how to shine
Your heart's a bird without the wings to fly Is anybody out there?
Can you take this weight of mine?
Is anybody out there?
Can you lead me to the light? You are not alone
I've been here the whole time singing you a song
I will carry you, I will carry you
You are not alone
I've been here the whole time
You are not alone
I've been here the whole time singing you a song
I will carry you, I will carry you
Is anybody out there?
I will carry you, I will carry you
Is anybody out there? I know it hurts
It's hard to breathe sometimes
