

Alter Ego

Tame Impala

Said the voice from afar:
Don't you know it doesn't have to be so hard?
Waiting for everyone else around to agree
Might take too long x2
When it won't be so hard(it won't be so hard)
Well it's true, yes, but you Wont't get far telling me
That you are
All you're meant to be
When the one from my dream
Is sitting right next to me
And I don't know what to do
Oh alter ego.
Get them to love you While they may depending
On your words and wealth
The only one who's really
Judging you is yourself.
Nobody else.
If I could part It wouldn't be so hard.
Well it's true, yes, but you
Won't get far telling me that you are
All you're meant to be
When the one from my dream
Is sitting right next to me
And I don't know what to do
Oh alter ego.
