

# Children of a Worthless God

## Exodus

Brainwashed into madness,  
your children are killers without fear  
Manipulate and dominate,  
stealing their lives for your hate  
Twisted perverted minds,  
think as we do or you die  
Demagogue, fanatical tyrant  
a false prophet seething with lies I you fear, seeing through your lies  
You I fear, raping of innocent minds Follow us blindly or die like a dog  
Blood mixed with sand for this holy war  
Your saviors a killer, you die for Allah  
You are all children of a worthless god  
Propagation of violence  
your one god a disease upon man  
Execution, crucifixion  
the answer for those not in your plan  
The penalty for contempt against your god  
is death and nothing else  
Ignorant infidels  
are subhuman and will all burn in hell I you fear, seeing through your lies  
You I fear, raping of innocent minds Follow us blindly or die like a dog  
Blood mixed with sand for this holy war  
Your saviors a killer, you die for Allah  
You are all children of a worthless god [Solo: Gary]  
[Solo: Lee]  
Smite the perverts and the obstinate  
praising the death of the free  
United States of Islam  
that's what you would like it to be  
Violate the unbelievers  
praising crimes against man  
Human rights mean nothing  
Doctrine of death a scourge upon man I you fear, seeing through your lies  
You I fear, raping of innocent minds Follow us blindly or die like a dog  
Blood mixed with sand for this holy war  
Your saviors a killer, you die for Allah  
You are all children of a worthless god
