

# Dare You to Move

## Switchfoot

Welcome to the planet  
Welcome to existence  
Everyone's here  
Everyone's hereEverybody's watching you now  
Everybody waits for you now  
What happens next?  
What happens next?I dare you to move  
I dare you to move  
I dare you to lift  
Yourself up off by the floorI dare you to move  
I dare you to move  
Like today never happened  
Today never happened before  
Welcome to the fallout  
Welcome to resistance  
The tension is here  
The tension is hereBetween who you are  
And who you could be  
Between how it is  
And how it should be yeahI dare you to move  
I dare you to move  
I dare you to lift  
Yourself up off by the floorI dare you to move  
I dare you to move  
Like today never happened  
Today never happened  
Maybe redemption has stories to tell  
Maybe forgiveness is right where you fell  
Where can you run to escape from yourself?  
Where you gonna go? Where you gonna go?  
Salvation is hereI dare you to move  
I dare you to move  
I dare you to lift yourself  
To lift yourself up off by the floor  
I dare you to move  
I dare you to move  
Like today never happened  
Today never happened  
Today never happened  
Today never happened before
