

# Funny Feelings

112

(oh, baby, girl i, girl i, got that funny feeling,

Ooh yeah, yes i do)

112... yeah

Cue.

Everytime i try to kiss your lips,

You turn away...

And when i try to hold you near my heart,

You just tell me not today...

Well, the days (well the days)

Grows to weeks, (grow to weeks)

And the weeks, just adds on,

And i try,

To be strong,

But i feel that you don't love me,

Anymore...

Funny feelings, funny feelings

That you don't love me anymore.

Whoa... oh...

Funny feelings, funny feelings

That you don't love me anymore.

I...

Find myself,

Sitting by the phone,

Waiting for it to ring,

And though my mailbox is always full,

But from you,

I never receive a thing.

(well i try) well i try

(to just) to just go by the things,

The things that you say,

But the things,

That you do,

They just tell me that you don't love me,

Anymore...

Funny feelings, funny feelings

That you don't love me anymore.

Whoa... oh...

Funny feelings, funny feelings

That you don't love me anymore.

Ooh baby,

Well i try, (well i try)

I try to just go by the things, (to just go by the things)

The things that you say,  
But the things,  
That you do,  
They just tell me that you don't love me, baby  
Anymore...

Funny feelings, funny feelings  
That you don't love me anymore.  
(i got that funny feeling baby)  
Funny feelings, funny feelings  
That you don't love me anymore.  
(you don't love me anymore)
