

# Save Me

## Jelly Roll

Somebody save me  
Me From myself  
Ive spent so long  
Living in hell  
They say my lifestyle  
Is bad for my health  
Its the only thing that seems to help  
All of this drinkin and smokin is hopeless but feel like its all  
that i need  
Something inside of me is broken i hold on to anything that sets me free  
Imma lost cause baby don't waste your time on me  
Im so damaged beyond repair  
Life has shattered my hopes and my dreams  
imma lost cause baby don't waste your time on me im so damaged beyond repair  
life has shattered my hopes and my dreams  
What if the night sky  
was missing the moon  
there were no shootin stars  
to use wishing On You  
and all of my sorrows  
id just wash them down  
its the only peace  
I've ever found  
all of this drinkin And smokin is hopeless but feel like its all that i need something inside of me  
is broken i hang on to anything that sets me free  
Imma lost cause baby don't waste your time on me  
im so damaged beyond repair life has shattered my hopes and my dreams imma lost cause  
baby don't waste your time on Me  
im so damaged beyond repair  
life has shattered my hopes and my dreams.
