

California Gold

Dada

Roach coach Mexican horn
Singing "La Cucaracha"
Suede face beggin' for bones
Won't stop 'till he's got ya
The surfer boy skatin' to Hell
Be home by dinner
The rest of us trying to get
Richer and fatter and thinner, yeah Crackers and the crack boys
(Mixin' it up)
Maria and the boy toys
(Mixin' it up)
.45's and jet noise
(Mixin' it up)
Crackers and the crack
Melting into California gold
Melting into California gold
Melting into California gold
Melting into California gold
Melting into California Another long day on the floor
Of this desert oasis
That's alright
As long as the man, he pays us
Gonna live forever
Just like Deepak Chopra
'Cause we're cleansing our souls every
Night with a bar of soap opera
Yeah, yeah, yeah, yeah, yeah, yeah
Crackers and the crack boys
(Mixin' it up)
Maria and the boy toys
(Mixin' it up)
.45's and jet noise
(Mixin' it up)
Crackers and the crack
Melting into California gold Melting into California gold
Melting into California gold
Melting into California gold
Melting into California gold Melting into California gold
Melting into California gold
Melting into California gold
Melting, melting Another long day on the floor
Of this desert oasis

There's a freak on the Hollywood sign
With a mind that can save us
Yeah, yeah, yeah, yeah, yeah Crackers and the crack boys
(Mixin' it up)
Maria and the boy toys
(Mixin' it up)
.45's and jet noise
(Mixin' it up)
Crackers and the crack
Melting into California gold Crackers and the crack boys
(Mixin' it up)
Maria and the boy toys
(Mixin' it up)
.45's and jet noise
(Mixin' it up)
Crackers and the crack
Melting into California gold Melting into California gold
Melting into California gold
Melting into California gold
Melting into California gold Melting into California gold
Melting into California gold
Melting into California gold
Melting into California gold
Melting into California gold
Melting, melting
