

# Find Yourself

Brad Paisley

When you find yourself  
In some far off place  
And it causes you  
To rethink some things  
You start to sense  
That slowly you're becoming someone else  
And then you find yourself  
When you make new friends  
In a brand new town  
And you start to think  
About settlin' down  
The things that would have been lost on you  
Are now clear as a bell  
And you find yourself  
That's when you find yourself  
When you go through life  
So sure of where you're headin'  
And you wind up lost  
And it's the best thing that could have happened  
'Cause sometimes when you lose your way  
It's really just as well  
Because you find yourself  
Yeah, that's when you find yourself  
(Instrumental)  
When you meet the one  
That you've been waitin' for  
And she's everything  
That you wanted and more  
And you look at her and you finally start  
To live for someone else  
And then you find yourself  
That's when you find yourself  
We go through life  
So sure of where we're headin'  
And then we wind up lost  
And it's the best thing that could have happened  
'Cause sometimes when you lose your way  
It's really just as well  
Because you find yourself  
Yeah, that's when you find yourself
