Grace Is Gone

Dave Matthews Band

Neon shines through smokey eyes tonight
It's 2 a.m. I'm drunk again
And it's heavy on my mindI could never love again
So much as I love you
Where you end, where I begin

Is like a river running through Take my eyes, take my heart

I need them no more

If never again I fall upon the one I so adore(Chorus)

Excuse me please, one more drink

Could you make it strong

Cause I don't need to think

She broke my heart

My grace is gone

One more drink and I'll move on

One drink to remember

Then another to forget

How could I ever dream to find

Sweet love like you again

One drink to remember

Then another to forgetExcuse me please, one more drink

Could you make it strong

Cause I don't need to think

She broke my heart

My grace is gone

One more drink and I'll move on

One more drink and I'll be gone You think of things impossible

Then the sun refuse to shine

I walk with you beside me

Your cold hand lay in mine

Excuse me please, one more drink

Could you make it strong

Cause I don't need to think

She broke my heart

My grace is gone

One more drink and I'll go

Excuse me please, one more drink

Could you make it strong

Cause I don't need to think

She broke my heart

My grace is gone

One more drink and I'll move on

One more drink and I'll be gone

One more drink my grace is gone ...(classic Dave mumbling)... Song Discussions is protected by U.S. Patent 9401941. Other patents pending.
