

# Sea of No Cares

## Great Big Sea

When you're in love, there's no time and no space  
There's a permanent smile on your face  
Your friends all complain that you're going insane  
But the truth is they're just afraid  
Hey, hey, hey somewhere  
You threw your fear in the sea of no cares  
Hey, hey, hey somewhere  
You threw your fear in the sea of no cares  
When you decide that what counts is inside  
Your friends all say it's a lie  
But there's no brighter light than the look in her eyes  
When you're walking her home through the night  
And hey, hey, hey somewhere  
You threw your fear in the sea of no cares  
And hey, hey, hey somewhere  
You threw your fear in the sea of no cares  
Let yourself go with the tide  
There's an angel by your side tonight  
Throw your fear in the sea  
Back at the bar getting cynically stoned  
Your friends are drinking alone  
But it's funny, they don't even cross your mind  
When she asks you into her home  
And hey, hey, hey somewhere  
You threw your fear in the sea of no cares  
And hey, hey, hey somewhere  
You threw your fear in the sea of no cares  
Hey, hey, hey somewhere  
You threw your fear in the sea of no cares  
And hey, hey, hey somewhere  
You threw your fear in the sea of no cares  
You threw your fear in the sea  
You threw your fear in the sea
